ON-LINE RESOURCES FOR FLORIDA NATIVE PLANT LANDSCAPING

July 2025

Here are some on-line resources to help you use native plants in your landscaping:

The Florida Native Plant Society's (FNPS) 3-part "Native Florida Landscape Design Series."

The series is filled with all the basic information you need to know to create a native landscape in your yard or your community. The presenter is Karina Veaudry. She has been a Native Plant Landscape Architect for over 32 years and is President of the Pine Lily Chapter of Florida Native Plant Society. The content of each series is listed below:

- [Part 1 "Why go Native"](#)
- [Part 2 "Design Techniques"](#)
- [Part 3 Commercially – Available Natives](#)

We believe you will enjoy the entire presentation.

The Florida Wildflower Foundation Presentation with Dr. Doug Tallamy

Dr. Doug Tallamy spoke at a [Florida Wildflower Foundation](#) event, which created this terrific presentation entitled "[A Guide to Restoring the Little Things that Run the World](#)." In this presentation, Dr. Tallamy discusses why it is vitally important to add native plants to our landscapes for the good of the insects and for our own health.

Creating a native plant garden for you and wildlife with Nick Freeman

CEO and principal designer of [Wacca Pilatka](#), Nick Freeman was the head designer of the St. Augustine Audubon Native Plant Garden. Nick did this terrific [on-line presentation](#) for the SJRA in February 2025.

Celebrating and protecting birds from the river to the ocean in Northeast Florida
