Currently, we have five directors and all four officers subject to re-election, but nominations will be accepted from the floor for all seats and positions. The elections will take place during the business meeting, where we will also review the past year and discuss future projects and plans. We will also solicit members comments, concerns, and ideas for the Chapter.

We'll provide a continental breakfast, but if you plan to stay for the iNaturalist meeting, we suggest that you bring your lunch and a drink.

We look forward to seeing you on April 11!
